

CrossPointe Youth Summer Schedule

Why?

It's summer, you'll probably be waking up around lunchtime and then figuring out your day from there. Odds are you'll even occasionally forget which day it is (I miss those days). It is with you in mind that we have this youth schedule.

Each Sunday we will meet at someone's house to hang out. The Sundays will alternate between high school and middle school meetings. **Every Wednesday night we will meet at the Pointe to study God's word.** That's all you have to remember.

And in the event that you lose this calendar [likely] or don't know how to get to someone's house [again likely] I'll have maps each Wednesday night.
